Quiz: War on Electric Scooters

Directions: Select the answer that best completes the sentence.

1) Some local governments banned scooter sharing services because _____.

- A) scooter sharing services take revenue from taxi and ride sharing companies
- B) elected officials believe scooters are dangerous and their use can cause accidents
- C) scooters are being stolen at an alarming rate
- D) scooters are not as efficient as bicycles

2) Scooter sharing services such as Lime and Bird can benefit cities by _____.

- A) creating an accessible form of green transportation
- B) giving children something to do in their free time
- C) reducing the number of bicyclists on the streets
- D) making transportation fun

3) To operate legally, scooter sharing services must first _____.

- A) demonstrate that enough local area residents know how to ride scooters
- B) prove to local governments that the companies can make money renting scooters
- C) establish licenses for scooter riders
- D) get permission to operate from the local government

4) Some protest groups have vandalized scooters because they believe scooters _____.

- A) take away jobs from taxi drivers and ride sharing company drivers
- B) are dangerous and want them banned
- C) are a sign of gentrification, and they do not want their neighborhood to change
- D) are bad for the environment

5) Scooter sharing services _____.

- A) are the latest entrepreneurial development designed to help people get around
- B) compete against each other, but some companies vandalize other companies' scooters
- C) are completely safe, but negative reporting by the media makes scooters appear dangerous
- D) were developed to improve congestion on the roads

War on Electric Scooters – Answer Key:
